"The girls had an amazing time at Mount Cook [...] They loved it, so much so that they've asked me when they can come again. All of the course leaders and staff were supportive, fun and knowledgeable. Equally it was amazing value for money."

Why book a Mount Cook adventure?

We believe that everyone, regardless of age or ability, should have the opportunity to experience adventure in the great outdoors! All of the activities we offer are focused on developing key life skills, from team-work and leadership, to self-confidence and resilience.

We're also very flexible!

Create some unforgettable memories, and stay at our Centre for a day, or two ... or three! We create bespoke activity itineraries for every group that visits us.

Mount Cook is a brand new **not-for-profit** residential Centre dedicated to providing access to a range of exciting outdoor activities for *all*, especially young people and those who would not otherwise have the opportunity.

We welcome groups big and small to our Centre!

Our accommodation

Our Centre can accommodate up to 140 guests in modern bedrooms, with ensuite bathroom facilities.

Wheelchair accessible rooms are available. We also offer accommodation in our **eco-friendly Glamping Pods**, and on our secure onsite camping paddock.

Did you know?

Mount Cook *isn't* your average Adventure Centre! Our eco-friendly building uses multiple forms of renewable energy, including rain water collection and solar panels. Unique features of our Centre also include an **indoor climbing wall**, an **onsite high-ropes course**, a **10m high rooftop terrace** and **5 acres of land!**
