I'm going to . . .

giftaid it

If I have ticked the box headed 'Gift Aid ✓', I confirm that I am a UK income or capital gains taxpayer. I have read this statement and want Headlines Craniofacial Support to reclaim tax on the donation detailed below, given on the date shown. I understand that if I pay less income tax and/or capital gains tax in the current tax year than the amount of Gift Aid claimed on all of my donations it is my responsibility to pay any difference. I understand the charity will reclaim 25p of tax on every £1 that I have given.

**Remember you must provide your full name, home address, postcode and '✓' Gift Aid for Headlines to claim tax back on your donation.**

Total Gift Aid donations received £ _____

Date donations given to Headlines _____

We will use the details that you have provided for the purposes of administering your donation and for claiming Gift Aid.

Headlines would like to hold your details in order to contact you about our fundraising, and services for people affected by craniosynostosis and other rare craniofacial conditions. If you would like to hear from us in this way, please tick the box in the column on the far right next to your details.

*Data Protection and Privacy*

*Headlines is committed to protecting the privacy of all personal data that you provide to us, and we will treat this information as carefully as if it were our own. This privacy notice (and any documents referenced in it) explains how we use personal data that you provide to us. By providing us with personal data, through our new member form or in other ways, or by using our website (www.headlines.org.uk), you are accepting and consenting to the practices described in this policy. For a full version of our policy, please visit www.headlines.org.uk/privacy.asp*

*If at any time you'd like to change your information or how we communicate with you, please contact us at info@headlines.org.uk*

Headlines is a charitable organisation based in the UK which aims to provide support and help to all those affected by craniosynostosis (both syndromic and non-syndromic) and associated conditions.
